**Gigi was raised
by... goats!**

This is the story of **Gigi**,
a 13-year-old girl who just happens to
have been raised by **mountain goats**.

But now that she's a **teenager**, her Nanette and Billy think it's time that Gigi spread her wings (her... horns?). This year she will attend a **boarding school** and, for the first time in her life, spend time **around actual people**.

Goat Girl is a **quirky comedy**...

...with a hero who tackles every challenge with a **goat-like personality**:

Stubborn

Unfiltered

Spontaneous

Fearless

Confident

Goofy

Gigi's journey is about
being **comfortable in your
own skin**, being **happy
being you**, and **embracing
your differences** and even
your **quirks**!

You're good enough!

Welcome your differences and your weirdness!

A quirky comedy filled with **heart, humor** and **sisterhood** with a hero who tackles every challenge with a **goat-like stubbornness and strength**
To help kids to better **embrace their differences and quirks!**
